

## Indoor Garage Sale Rules and Regulations

By registering for the Early Childhood Initiative's Children's Indoor Garage Sale, you agree to the following terms:

- 1.) Registration fee will be paid at the time of submitting the registration form.
- 2.) Items for sale are limited to baby- and child-related items. This could include but is not limited to baby gear, clothing, feeding supplies, furniture, etc. Also, it could include but is not limited to children's toys, booster seats, bedding, kids' room décor, children's books, clothing, outdoor toys, child-size furniture, parenting books, etc. Also, it could include maternity clothes and accessories.  
**-Important:** all gear (car seats, bases, swings, baby seats, bouncers, bassinets, pack'n'plays, lifejackets, furniture items, etc.) must be in good working order and must not be expired or have unresolved issues related to manufacturer recalls.
- 3.) Set-up is from 7:30 to 8:15 a.m. on the morning of the sale. Sellers are responsible for their own set-up. Sellers may rent tables or bring display pieces like tables, clothing racks, shelves, etc. Sellers will have two chairs included in their booths.
- 4.) Tear-down is from 12:30 to 1:15 p.m. the same day. Sellers are responsible for taking down their tables, folding their chairs, and taking away unsold items unless previously agreed upon with the ECI. Some sellers might elect to donate items to Hidden Treasures Store; this will be noted on registration forms.
- 5.) Pricing is at the seller's discretion; neighboring sellers will not try to "undersell" each other.
- 6.) Signage is optional and at the seller's discretion.
- 7.) Providing bags or boxes to buyers is at the seller's discretion.

### Helpful Hints for a Great Sale:

1. Price your items ahead of time and clearly mark them on the items or on signs near the items.
2. Organize items by category; organize clothes by size and gender.
3. Don't forget to bring a little petty cash for change.
4. Bring a cashbox or other cash storage container.
5. Consider bringing boxes or bags to send with shoppers who purchase your items.
6. Consider signage: Use clear, highly-visible signs to show types of items, seasons, sizes, even prices if it's the same price for all items in one box or one table.
