**Date:** January 2016

**Re:** \$5,000 in Scholarships Available for Student Athletes

---

### **Subject: 9th Annual Minnesota Athletes in Sports Medicine Scholarships**

**Sports and Orthopaedic Specialists** is proud to continue its effort to advance sports medicine and orthopaedic care throughout Minnesota with the 9th Annual Minnesota Athletes in Sports Medicine scholarship for student athletes. We are excited to continue offering this award as exemplification of our commitment to provide unsurpassed patient care and community education.

The first scholarship is from **Sports & Orthopaedic Specialists and in partnership with Allina Health**. This \$2,500 scholarship will be awarded annually to one male student athlete who intends to attend college to pursue a career in sports medicine.

The second scholarship is awarded by the **Women's Orthopaedic Center and in partnership with Allina Health**. The Women's Orthopaedic Center is one of the only centers in the nation to focus exclusively on women's unique musculoskeletal injuries. This \$2,500 scholarship will be awarded annually to one female student athlete who intends to pursue a career in sports medicine.

You will find additional information and an application form attached. Please distribute the information to anyone you believe will find it relevant. Sports and Orthopaedic Specialists, the Women's Orthopaedic Center and Allina Health are proud to continue their traditions of advancing sports medicine and orthopaedic care throughout Minnesota. We thank you for your assistance in helping us identify outstanding candidates.

It is our intent to announce the recipients of each scholarship by June 30, 2016.

If you, any of your student athletes or their families have any further questions regarding the application process, please do not hesitate to contact me by email at [brent.millikin@allina.com](mailto:brent.millikin@allina.com)
