

Fertile - Beltrami Public School Community Listening Session

We Need Your Input!

The District has partnered with FJJ Solutions to engage the Community in a Listening Session. The output of this meeting will help to define a collective vision for the Fertile-Beltrami School District.

Listening Session Goals

- 1) Gather input from stakeholder groups on their long-term vision for the Fertile-Beltrami School District, desired outcomes, and measures of success.
- 2) Assess the perceptions and realities of the current Fertile-Beltrami School District.
- 3) Outline the challenges ranging from the development of strategic improvement plans, improvement of the existing facility, and prioritizing needs.

Community Listening Session
