## FERTILE-BELTRAMI MISSION STATEMENT

**EDUCATION FOR SUCCESS IN AN ENVIRONMENT OF  
LEARNING, RESPECT AND RESPONSIBILITY.**

### PARTICIPANT CODE

The primary purpose of the extracurricular program in the Fertile-Beltrami School District is to promote the physical, mental, social, emotional, and moral well-being of the participants. The educational program shall be directed toward the welfare and the best interest of the student athletes.

The extracurricular program is an important and integral part of the total school program and is open to participation by all students regardless of individual differences. Through voluntary participation, the student gives time, energy, and loyalty to the program. In order to contribute to the welfare of the group, the student must willingly assume these obligations, as the role demands that the individual make sacrifices not required of others.

These educational experiences allow students to benefit in such areas of development as: interpersonal relationships, group interaction and cooperation, self-concept and character, goal setting and values, leadership, initiative, self-discipline, loyalty, sportsmanship, physical skills and growth, and the personal pride and satisfaction of participation and competition.

The basic purpose of this code is to provide assurance that our students and their parents are informed of the standards of behavior, conduct and appearance that are appropriate for the young people who represent our school and community in the various areas of extra-curricular activities.

**Helping to establish a desirable atmosphere for activities is the duty of parents, students, and school personnel. To enhance this atmosphere, the following guidelines should be utilized.**

### **Parent's Responsibility**

Good discipline originates in the home because the parent is the first teacher. This includes teaching by example, to develop good habits which portrays good sportsmanship towards all extracurricular activity, and their coaches/advisors. To help your student's progress in school. A parent should:

- B. Arrange for prompt and regular school attendance that comply with attendance rules and procedures. Refer to student handbook.
- C. Arrange for a time and place for homework and see that the student makes use of their time.
- D. Teach and require the student to respect the law, for authority, for the rights of others, and for private and public property.
- E. Share with the student an interest in school activities and in their general progress.
- F. Encourage and guide wholesome friendships, interests and activities.
- G. Understand and comply with the rules of the school concerning pupil conduct and cooperate with the school in carrying out disciplinary action taken by the school.
- H. Be aware of the eligibility/participation rules of the Minnesota State High School League, Fertile-Beltrami Student Handbook, and those of the coach/advisor of your daughter's/son's activity.

### **Student's Responsibility**

### **Coach's/Advisor's Responsibility**

Coaching involves providing a stimulating and effective program of instruction, establishing and maintaining an atmosphere conducive to learning, and the development of sound social attitudes and habits. This is a cooperative effort in which the coach/advisor, with the assistance of the administration, should:

- A. A coach/advisor must remember that he/she is representing Fertile-Beltrami Public Schools and our community at all times. Appropriate dress and conduct must be maintained.
- B. Coaches/advisors are permitted to communicate with students by group text providing the information relates to their extracurricular activity. Coaches/advisors will not communicate with individual students (that are not related to them) via social media, texting of cell phone, or phone calls.
- C. All coaches/advisors are role models for participants and when at contests are also representatives of Fertile-Beltrami Public Schools and our community. As such, they are expected to exemplify good sportsmanship by treating all students, other coaches, fans, officials, and parents with respect and dignity.
- D. Approach his/her assignment with enthusiasm and regard each pupil as a worthy individual.
- E. Plan and conduct a program of instruction, which will make each child eager to learn, and enable each pupil to achieve his/her full potential.

Student is still required to attend all practices, regardless of the penalty.

**Junior High:** At the junior high level, our goal is for those in the program to have a positive experience. This can be gained through improvement in skill level with effective practice, participation in contests, and achieving team goals. Playing time will be shared by all participants, but not on an equal time basis. All players will play in the same number of halves in a game or games in a match if there are no other unusual circumstances, such as absences from practices. Only exceptions will be for tournaments where everyone will get in the game, but not receive equal playing time. Also, in football, where our number one concern is the safety of the athletes, if an athlete's physical stature could put him/her at risk of an injury, the coach could limit his/her playing time.

**C Squad and/or Junior Varsity:** Again, our goal is for those in the program to have a positive experience. Some players will play more than others. Coaches will use game situations as a guide for participation.

**Varsity:** The primary emphasis at the varsity level is on being as successful as possible. To achieve this goal, some athletes may experience significantly more playing time than others according to team needs and respective goals. There may be athletes that won't get in the game. The coaching staff will assess team needs and how individual players can help achieve those goals. Individual participation may be influenced by a number of different factors that may include skill level, practice performance, attitude, game situations, and other team needs. A good coaching staff should always keep the team concept in mind.

### **BEHAVIOR: FAN/SPECTATOR**

The following additions are consequences for disorderly or unruly adult spectator/fan behavior at student events held in association with Fertile-Beltrami School District. Unruly or disorderly student fan behavior will be handled through normal school discipline due process and referral to law enforcement. The assigned event site supervisor will make all determinations of unruly or unsportsmanlike behavior, after first issuing a warning to the individual. Should an adult spectator's behavior violate current policy regarding coaches, contest officials, or advisers during or after events, or constitute participating in unsportsmanlike behavior from the stands. Then that behavior will be deemed in violation of Fertile-Beltrami School District Policy and the violator will then be subject to the following:

#### **First Offense:**

The person in question will be suspended from attending the next three home events for that sport or activity, with the consequence to follow into the same sport's next season if need be. This consequence may be reduced to the next two events if the coach or advisor involved receives a formal, written apology from the offending fan before the third event takes place and a copy of the incident report and apology is transmitted to the Board of Education to remain on file.

#### **Second Offense:**

A person involved in a second offense over the course of the calendar year will be suspended from all extra-curricular events for the remainder of the calendar year.

There is no appeal process to the Board of Education for policy violation.

Note: Laws regarding trespass on school grounds, trespass at school activities, and disorderly conduct at public events will be referred to and enforced by local law enforcement.

### **COMMUNICATION – CHAIN OF COMMAND**

1. Player to Coach, Coach to Player.
2. Player, Parent, Coach.
3. Player, Parent, Coach, A.D.
4. Parent, Coach, A.D., Principal – The student may not be present at this meeting.
5. Cases of neglect/Abuse/Etc. can go directly to the administration.

## **Player/Parent/Coach Communication**

There are situations that may require a conference between the coach and the parent. These are to be encouraged. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern:

1. Call the coach at school to set up an appointment to meet.
2. If the coach cannot be reached, call the Activities Director.
3. It is inappropriate to approach a coach with a concern before or after a game or practice (24hr rule). Meetings of that nature usually do not promote resolution.

## **Parent/Coach Communication**

### Parent/Coach Relationship

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to students. As a parent, you have a right to understand what expectations are placed on your child when involved in our programs. This begins with clear communication from the coach of your child's team.

### Communication You Should Expect from Your Child's Coach

1. Philosophy of the coach.
2. Expectations the coach has for your child as well as all the players on the team.
3. Location and times of all practices and contests.
4. Team requirements: i.e. fees, special equipment, off-season conditioning.
5. Procedures should your child be injured during practice or a contest.
6. Discipline that might affect your child's participation.

### Communication Coaches Expect from Parents

1. Concerns expressly directed to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concerns in regard to a coach's philosophy and/or expectations.

As your children become involved in the programs of Fertile-Beltrami Public School, they will experience some of the most rewarding moments of their lives. It is also important to understand that there might also be times when things do not go the way you or your child wishes. During those times it is important to have an open dialogue with the coach.

### Issues Not Appropriate to Discuss with The Coach.

1. Playing time
2. Team strategy
3. Play calling
4. Other student athletes

### Appropriate Concerns to Discuss with Coaches

1. The treatment of your child mentally and physically
2. Ways to help your child improve
3. Concerns about your child's behavior

## **EJECTED FROM A CONTEST: STUDENT/COACH**

### Student Ejection from a Contest

The student is also suspended from the next scheduled, rescheduled, or contracted game/meet at that level of competition and all games/meets in the interim at other levels of competition.

The second and subsequent violations carry a four regularly scheduled game/meet ineligibility penalty.

During the league tournament series (subsection, section and state tournament): A student athlete who is ejected from a game, meet or individual competition shall not participate in a game, meet or individual round of competition for the remainder of that day. The student is also suspended from the next scheduled round of team or individual competition in that tournament series.

Student relationship to team during suspension: A player who is under suspension for an ejection may travel with the team and be in the locker room and on the sideline but may not be in uniform while under suspension.

If penalties are imposed at the end of the sport season or League tournament series and no contest remains, the penalty is carried over in that particular sport until the next school year. In the case of a senior, the penalty will continue to the next sport season.

### **ATHLETICS: ADVANCING**

**Junior High (7-8) to Varsity (C-Team/JV/Varsity)** When considering the advancing of a student athlete from Junior High (7-8) (to C-Team/JV/Varsity) level of play, the following established procedures will be adhered to.
